Thoughts on Supporting Founders Ministries

The heritage we have received from our Southern Baptist Founders, especially their historical evangelical Calvinism, has certainly impacted our hearts. As Founders Friends, we have the opportunity to ensure that these truths be passed along to the hearts and minds of our children and grandchildren. Founders Ministries is all about that.

Randy Alcorn, in his book *The Treasure Principle*, reminds us of many truths concerning the treasure, joy, to be uncovered as we give to God's work. Below is "The Treasure Principle" itself and a number of keys to unlock "The Treasure Principle." As you consider giving to the financial support of Founders Ministries, these keys will help you send it on ahead.

The Treasure Principle
"You can't take it with you
but you can send it on ahead."

Treasure Principle Keys (for unlocking The Treasure)

- God owns everything, I'm His money manager.
- My heart always goes where I put God's money.
- Heaven, not earth, is my home.
- I should live for eternity, not this present life
- God prospers me not to raise my standard of living alone, but to raise my standard of giving.
